

ROAD

AMERICA

a **MAPFRE** company

24 hr. Emergency Roadside Assistance

Brought to you by this location and

Lockout Services: Road America will send an authorized, pre-screened contractor to unlock your vehicle with vehicle manufactured approved tools.

Flat tire: Road America will dispatch a service person to change your vehicle's damaged tire to a usable spare.

Out of Gas: You will be provided 3 gallons of fuel delivered to you (the cost of fuel is your responsibility).

Dead Battery: Road America's provider will clean off your battery cables and jump start your car.

Towing: Your vehicle will be towed to the nearest repair garage or safe place with a maximum credit of \$75.00.

Emergency Roadside Assistance

If you need emergency roadside assistance anywhere in the continental U.S.A., Alaska, Hawaii, Puerto Rico and Canada, call

1-877-373-9761

When you call for dispatch service, be prepared to give the customer service representative the following information:

- Your name and the name of the Rental Car Company.
- Vehicle, make, model, and last 10 of the vehicle identification number located on the dash or on the driver's door jam.
- Exact location of the vehicle, if known (street address, mile markers, etc.).
- Nature of the trouble (flat tire, won't start, etc.).
- Phone number you are calling from.

The nearest participating towing facility will be contacted and then we will tell you the estimated time of arrival.
